🔥 IGNITE FOUNDATION PROGRAM

(For students currently in 7th or 8th Std)

Your definitive 1-year roadmap to mastering school academics while securing a competitive edge in

Olympiads, NSEJS, NSTSE, and future Engineering/Medical entrances (JEE, NEET, etc)

---

1. PROGRAM OVERVIEW

- **Duration:** April 2026 – Feb 2027
- **Target Competitions:** NSEJS, IOQM, NSTSE, Homi Bhabha (HBBVS), and foundational prep for JEE/NEET
- **Subjects Covered (for 8th Std):** Physics, Chemistry, Biology, Maths and Mental Ability
- **Subjects Covered (for 9th Std):** Physics, Chemistry, Biology, Maths, SST, English, and Mental Ability
- **Faculty:** Led by a team of seasoned mentors with years of experience who specialize in making complex concepts intuitive for younger minds

---

2. THE IGNITE ADVANTAGE

FEATURE	DETAILS
Concept Depth	Focus on **clarity of fundamentals**, not rote learning
Learning Style	Concept → Application → Competitive Thinking
Weekly Schedule	**3 Days a Week for 8th Std students + Test (including subjective test)** **4 Days a Week for 9th Std students + Test**
Class Intensity	**2 hrs per class for 8th Std students** **3 hrs per class for 9th Std students**
Timings	**6pm to 8pm for 8th Std students** **6pm to 9pm for 9th Std students**
Classroom Focus	Teaching + guided practice + doubt resolution

Teaching Philosophy: *We ignite curiosity first — speed and ranks follows*

Note: The institute shall remain closed for 6 days during Diwali

3. TESTING, PERFORMANCE TRACKING & PARENT CONNECT

We believe **early measurement builds confidence**, not pressure.

📊 **Structured Testing System**

- **Weekly tests** on current topics
- **Subjective tests** for better writing practice
- **Application-based & Olympiad-oriented questions**
- Periodic **Foundation-level Mock Tests**

📈 **Performance Tracking**

- Individual progress reports
- Regular feedback to students

👨‍👩‍👧 **Parent–Teacher Interaction**

- **Scheduled PTMs**
- Clear communication on academic growth & learning behaviour

---
